

# ReHome Your Stuff

where nothing goes to waste

## Someone, somewhere wants your rubbish.

You know, that old three piece suite, TV, hairdryer or whatever.

It may be in working order, it may not even be very old, but you're sick of it and want something new. That means a trip to the tip which could cost you to get rid of it. Not now, though. Thanks to a new web site you can dispose of those unwanted items - by giving them away.

It's free  
it's easy to use  
It's environmentally  
friendly!

## Simple to use.

You can list unwanted items for free, then other people who want your item can email you so you can arrange for them to come and collect!

## Search

You can use our powerful search engine to locate items that you might want for yourself. Search locally to you or the whole of the UK!

## Listing is Easy!

1. Register with us.
2. Take a photo of your item to list, you can use a digital camera or your phone!
3. Submit your photo and fill in the details on our website.
4. Sit back and wait for it to be re-homed.
